

Engaging Advocates for Life at the Grassroots Level

How would you like to be able to drop 10,000 emails into the email inboxes of Ohio Legislators, urging them to support or oppose a critical pro-life bill? That is what Voter Voice enables RTLACO to do -- with your help!

What does Voter Voice do?

Voter Voice makes it easy for our local constituents (we call them Advocates) to send an email to their legislators or other elected officials to support a “campaign” driven by RTLACO, or your local member organization.

How can my Member Organization use Voter Voice?

Your local member organization will send an email to your email list (the Advocates) with a link that points to a Voter Voice campaign. That campaign can be a national issue, an Ohio-wide issue, or you can request to set up your own local issue as a campaign in Voter Voice.

How does the process work?

An RTLACO campaign (typically to promote or oppose critical legislation) will be announced by RTLACO through an email to our contacts in all member organizations. This notice includes an email with appropriate text that can be easily forwarded to your local email list. The email includes a link to a Voter Voice campaign which is already built. By clicking the link in the email, your Advocates can send an email to their respective legislator, or other designated official, with as little as one mouse click -- **literally within 10 seconds!** This process allows us to engage tens of thousands of Advocates across Ohio and potentially generate thousands of emails on issues of importance to pro-life organizations.

Important:

RTLACO member organizations maintain total control of their email lists. RTLACO never contacts your Advocates without your permission.

What else can Voter Voice do for me?

You can use Voter Voice to manage a **petition** to local officials, such as to promote a sanctuary city. You can also use it to conduct a **survey** of your members, announce a **meeting**, or solicit volunteers for an upcoming **event**.

Here is how Voter Voice Works

Why won't Governor Dewine speak out about babies being thrown in the trash?

As we reported a few weeks ago, the body of a nearly 4-month-old aborted baby and paraphernalia from an abortion were found in a DUMPSTER outside an abortion facility in Cuyahoga Falls?

If you missed our report, and haven't heard about this atrocity, it's likely because both the mainstream media and the DeWine Administration did not find it newsworthy. For details of this tragic incident [read here](#)

JOIN US

in insisting Governor DeWine TAKE ACTION on this tragic incident. The abortion facility was operating with an EXPIRED LICENSE and, as a minimum, was also in Violation of Ohio's HIPAA laws.

Please Help Us to prevent this infant from having died in vain and hold Governor DeWine responsible for the health of ALL Ohioans.

You can email Governor DeWine in ONE CLICK by following the link below.

LINK

A template email will be provided for you to forward to your email list of Advocates. It will include a link to a Voter Voice Campaign. Here is an example of a template email - notice the link included at TAKE ACTION.

"10 Seconds to Make a Difference"

Compose Your Message

- Governor Mike Dewine
- Office Faith Based Initiatives

The first time you use Voter Voice it will ask you for your address information. From then on it should recognize you, so you don't have to provide it again.

Feel free to send this email as it is, or edit it at your discretion.

Subject

Enforce the Law on Abortion!

Message Body

I am writing to you concerning the atrocity of an aborted, dismembered infant found in a dumpster at the Northeast Ohio Women's Center (NEOWC) in early July. I am disturbed that this tragedy has not...

Send Message

Your
Legislator
or other
official

Customizable
message

Once someone clicks the link on your email, they can send the embedded email text to their own legislator or other official in less than 10 seconds!

- Voter Voice customizes the email for your Advocates by recognizing their specific legislators or other officials on any given issue.
- Voter Voice includes a template email which can be sent as written, **or which can be modified as desired by each Advocate.**
- Only one click is necessary - that's it!
